Dear Client and Stakeholder

It is with great sadness, and deep regret, that we inform you of the passing of our Director and co-founder, Brigitte Brun.

Brigitte had the choice of being able to live in a few countries, but as a true advocate of transformation, equality, and an undying passion for helping others, she decided to stay in South Africa. She and Linda Ngcobo founded our B-BBEE Verification Agency in 2004, which is now known as **1st Verification Networx**, where she provided a wealth of knowledge, technical expertise and vision to the business, a legacy we will continue to build upon.

Brigitte was a highly intelligent person, who was always willing to share her knowledge and experiences. She dedicated so much of her time to selflessly helping others in need, and positively impacted the lives of all who knew her.

Brigitte has been renowned as an expert, specialist in the field of B-BBEE. She served on the Board of the Association for B-BBEE Professionals (ABP) and was also an approved facilitator for the Management Development Programme for the dti. Brigitte took great pride in co-authoring and publishing two books on the subject.

Brigitte, the sound of your infectious laughter and presence will forever be remembered.

Our thoughts and prayers are with Jackie, Adam, Zara and all loved ones at this time.

There will be a memorial service on **Friday 11th October at 14h00, at Durban Undersea Club, 1 Mahatma Gandhi Road, Durban .**

Please note the office will be closed on Friday afternoon in order for our staff to attend the memorial service.

The family have requested that donations be made to Umduduzi Hospice Care for Children in lieu of flowers – www.umduduzi.co.za.

Many thanks and kind regards
