Subject: In Loving Memory of Mr. Zamokwakhe Phillip Mkhwanazi
Importance: High

Dear Colleagues,

It is with a heavy heart that I announce yet another loss for our industry.

Zamokwakhe Phillip Mkhwanazi, Founder and Owner of Inkomba Verification Agency (Pty) Ltd and Inkombandlela Financial Accountants is no more (19 November 2019).

Zamo previously served on the ABVA / ABP Board (2015 – 2018), played a pivotal role in the establishment of ABP, contributing to its success and continued being a strong supporter of ABP.

His unparalleled passion for the transformation and the advancement of Black people in all spheres of life, and willingness to share his knowledge and experience will be sorely missed.

Though soft spoken, humble and unassuming, he was a rock that many of us relied upon for all things to do with transformation and advancement.

You could bank on him to help fight for the right thing, without any second thought and to put his money where his mouth was.

His vast personal achievements also attest to the great believer he was in his personal Lord and Saviour, Jesus Christ.

He had faith that all he has to do is his best and trust God to do the rest.

He is a great personal testament to the scripture in Daniel 11:32 that *“the people that know their God will be strong and do mighty exploits.”*

Our heartfelt condolences go out to his Wife, family, loved ones and to the Inkomba Team. We pray that God's love and peace will be with each of them during this difficult time.
